

St. Thomas More Preschool

MISSION STATEMENT

At St. Thomas More Preschool
learning and fun become one.
We are sensitive to each child's
social, emotional, intellectual,
and physical needs.

Each child's unique developmental
growth is nurtured through
age-appropriate activities
that emphasize a "hands-on"
learning process.

Through exploration,
the child discovers God
in the world around him.

Our program is designed to
develop in children a sense of
independence and responsibility.
We encourage not just learning,
but the love of learning.

The Preschool Program

The Preschool is located in the St. Thomas More School building. This preschool program is for children from three to five years of age. The child must be three years of age by September 30th and toilet trained to enroll for the school year beginning in August. Children enrolled in the Preschool will have preference for enrollment in the St. Thomas More School Kindergarten program.

Certified teachers, experienced in early childhood education, provide a comprehensive curriculum. Kindergarten readiness skills in math, reading, and language arts are emphasized, along with the development of gross and fine motor skills. Other activities include music and movement, arts and crafts, computer exploration, and nature and science activities. Christian values are interwoven in the curriculum.

The Preschool's school year is from August through May.
