**Mission Statement:** At St. Thomas More Preschool learning and fun become one. We are sensitive to each child's social, emotional, intellectual, and physical needs. Each child's unique developmental growth is nurtured through age appropriate activities that emphasize a "hands-on" learning process. Through exploration the child discovers God in the world around him. Our program is designed to develop in children a sense of independence and responsibility. We encourage not just learning, but also the love of learning.
