

Summer Bucket List Journal

I want to keep your writing skills sharp during the summer so I am encouraging you to complete this Summer Bucket List.

Here's what you need to do:

1. At the beginning of your summer vacation, brainstorm 10 things you would love to do over the summer. Places you would like to visit, experiences you would like to have, foods you would like to eat, or people you would like to visit. Write these ideas on the bucket list provided.
2. During the summer, check off each item on your bucket list as you complete it!
3. In late July or early August, use the attached journal pages to write about your summer experiences. You should write one journal entry each week, for a total of 4 entries. Each journal entry should be at least a paragraph and supported with details.
4. Bring your completed journals to me by the end of the first week of school next year. Journals will be graded for an English grade.

Enjoy your summer vacation and I'll see you soon!
